01

Physical checkup at school

2026

Checkup time and place

- **NSYSU 1st Floor, Back Porch, Library and Information Building**
- **2026 Year September 3th -5th**

To prevent the spread of infectious diseases, please comply with the following regulations:

1. Wear a mask on the day of health examination.
2. If you have a fever on the day of the physical examination, please do not participate in the physical examination and please call the health center.
3. If you suspect you have dengue fever, please rest at home and do not come to school to prevent spreading it to your classmates and friends

Health Checkup Time:

Attention! When the health examination is canceled due to uncontrollable factors such as natural disasters, typhoons, epidemics, etc., the latest news from the Health Counseling Group of the Academic Affairs Office will be announced. <https://ccd-osa.nsysu.edu.tw/p/403-1091-5214-1.php?Lang=zh-tw>

Sun Yat-sen University Health Examination Record Form

With the "Sun Yat-sen University Health Examination Record Form", please print out both sides and fill out the "Important Information" and "Basic Student Information" in the form and bring it to the school for examination.

ID card,
residence permit or
passport

Bring your ID card, residence permit or passport (for foreign students) to facilitate identity verification

Eat on the day

You can eat on the day of the examination and do not need to fast.

Rules for wearing tops

Do not wear tops with metal or sequins. Female students are advised to wear sports bras without wire rings to facilitate quick X-ray examination.

What should I do if I'm afraid of fainting during blood draws?

Please inform the nursing staff proactively that the health checkup unit will arrange for you to have your blood drawn while lying down.

Female urine test

Can I have a urine test during my period? Yes, please inform the nursing staff.

What should I do if I suddenly feel unwell during a health checkup?

Please take the initiative to inform any medical staff on site and they will handle it on the spot or evacuate it to the hospital.

2026

02
